

PREPARED FOR NORTHFIELD LABS

The nootropics market this week, read against your 8 compounds.

Built from the public storefronts of more than 900 online stores and from FDA, FTC and public forum data. No logins, no private data, and no store is named. Prices are per gram or per mg: the median of each store's cheapest listing, one vote per store.

Where your compounds sit in the market

COMPOUND	STORES	TYPICAL	8 IN 10 STORES CHARGE	VS 7 DAYS AGO	OUT OF STOCK
Noopept capsule or tablet	10	\$13.88/g	\$13.42/g to \$22.44/g	-	3%
Oxiracetam powder	8	\$0.96/g	\$0.52/g to \$0.96/g	-	6%
Piracetam capsule or tablet	8	\$0.42/g	\$0.42/g to \$0.42/g	-	18%
Pramiracetam powder	8	\$2.90/g	\$2.10/g to \$2.93/g	-	0%
Alpha-GPC powder	7	\$0.40/g	\$0.40/g to \$0.40/g	-	15%
L-theanine powder	7	\$0.21/g	\$0.15/g to \$0.21/g	-	0%

Too few stores price Aniracetam, Citicoline to show a market price (fewer than 3). We show nothing rather than a guess.

Change vs 7 days ago needs a week of history; we hold 5 days so far.
